

Australia Africa Business Council Victoria Chapter

Seeks the pleasure of your company to attend
drinks and cocktails with
Professor David Wilmoth, guest speaker.

Prof David Wilmoth is currently lead consultant to the International Finance Corporation in providing transaction advice to the Government of Botswana in developing a new university, the Botswana International University of Science and Technology, through a public-private partnership. The university will be located in Palapye, and was estimated before the project to cost the equivalent of USD 1.5 bn. Expressions of interest have now been called for.

Professor David Wilmoth is Director of Learning Cities International Pty Ltd, an advisory and project management firm on higher education and urban development. The firm specialises in university and college start-ups and urban development precincts incorporating education.

Date: Friday, 28th March 2008
